

My name is Amanda Ingram and I am married to my amazing husband, Charles (Chuck) and we have 3 beautiful children together (Braelynn-6, Gunnar-3 and Dakota-1) and I also have my bonus daughter, Riane-19. I am a preschool teacher and the Owner/Operator of Hen House Pullets. I have been fishing and hunting since I could walk. Mainly bass, trout and pond fishing, and now addicted to the Striper fishing. Since moving to Gainesville in 2016, we have grown to love Lake Lanier and everything it has to offer. We get quality husband/wife time as well as family time when we take the kiddos out fishing who are just as obsessed.
